Flux

Lunada Bay Tile recasts a Tiffany art glass fan favorite for a new decade as Flux. The luxurious, hand-poured field tiles are available in timeless shapes and of-the-moment colors. They also pair perfectly with our Origami Field dimensional glass and Contourz concrete tiles, opening design opportunities to play with elevation and coordinating hues.

Please visit [LunadaBayTile.com](https://www.lunadabaytile.com) for our complete product offerings, applications and installation instructions.
