## Gendai [gĕn dĕi]

*adjective*

origin: Japanese

### 1. *Modern*

Gendai is a contemporary, smooth-edged glass series presented in an interlocking pattern. To create Gendai, artists select pieces from our Shibui and Tozen collections, handcrafted by melding streams of multi-hued glass, and arrange them in a lush array of color combinations sure to suit a variety of commercial and residential projects. Gendai consists of 11 color blends of  $\frac{1}{2} \times \frac{1}{2}$ -,  $\frac{1}{2} \times 1$ - and  $1 \times 1$ -inch glass in natural and silk finishes. A matching 3 x 12-inch border is also available.

70% post-consumer recycled glass content ♻️
