(25mm x 50mm)

1 x 4 Brick  
(25mm x 100mm)

1-3/8 x 6 Brick  
(35mm x 146mm)

## Sumi-e [soo-me-e]

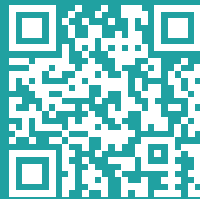

*noun*

origin: Japanese

### 1. *the Japanese art of ink painting*

The 2,000-year-old art form of Japanese brush painting is rooted in spirituality, and early practitioners trained in the art of concentration, clarity and simplicity to master their designs. Our Sumi-e collection draws inspiration from this ancient art form. The handcrafted glass tiles feature soft, brush-like strokes in rich, flowing colors and are finished with an old world rustic edge.

70% post-consumer recycled glass content ♻️
