Stone & Pewter Accents: World-Class, Comprehensive Tile Collection Showcased on Easy To Navigate Website

For immediate release: Los Angeles-based Stone & Pewter Accents has recently launched an easy-to-navigate website to accommodate browsers wanting to discover state-of-the-art tile designs. The firm is a manufacturer and supplier of lead-free pewter accent tiles, slate tiles, hand-poured glass tiles, ceramic, composite and wood tiles. Designs range from traditional to contemporary to avant-garde.

Managed by seasoned tile industry professionals, Stone & Pewter Accents offers its clientele a choice of hundreds of designs and finishes which match virtually any décor. In particular, the firm offers an extensive collection of swimming pool tile. Many photos of the comprehensive tile lines can be seen on the website both as individual product shots and attractive, idea-inspiring room motifs. Those wishing to visit the website should simply log on to: www.stonepewteraccents.com.

The firm has warehouses in Southern California, New Jersey and Central Florida to support all North American sales personnel. Website: www.stonepewteraccents.com. Telephone: 310-257-1300. Email Carl Steady: csteadly@stonepewteraccents.com. Stone & Pewter Accents is based in Los Angeles, California.
