

To our wonderful Customers:

Each year around Coverings, I find myself surprised by the emotions that arise within me. I absolutely love this time of year – especially welcoming each of you to our booth and sharing our latest designs, products, and prototypes.

This year was particularly exciting with the debut of our new booth, and I want to acknowledge and thank our Marketing/Sampling team for the superlative job they did in creating the portrait gallery displays, and our Sales Team members who each day greeted old friends and made new ones.

While I have been in the tile industry for over 35 years, I still LOVE sharing our creations and vision with you! I wish you all the greatest success in 2019 and look forward to seeing you all in New Orleans at Coverings 2020.

Carl

From the entire LBT family — For you and our relationship, we are eternally grateful. Thank you for making Coverings 2019 a success, and sharing in so many wonderful moments together!
