

Old Fashioned Glow in Arabesque

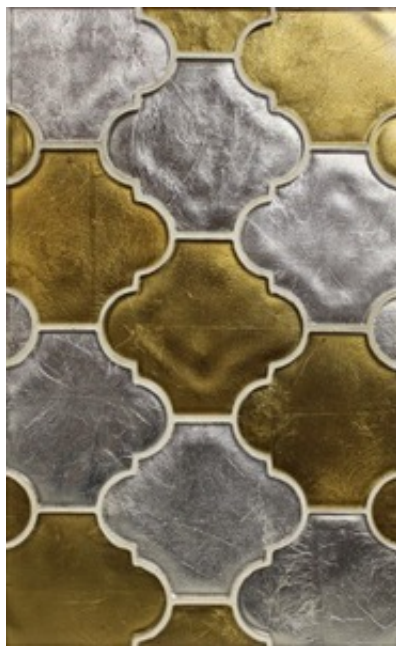

While some designs may sparkle and fade, the rhythmic, interlacing design of the Arabesque pattern is forever. A hallmark of Islamic art, the geometric weave transcends time, symbolizing the infinite. With no beginning or end, it is the ultimate design classic.

Lunada Bay Tile reinterprets this old world pattern with [Arabesque](#), a new field tile introduced to the Old Fashioned Glow collection. The glass tile, which measures approximately 5x6 inches, is available in two luxe colors, Latte Silver and Latte Gold. To create the Old Fashioned Glow tiles, our artists fuse gold and silver leaf to translucent glass. They then apply an impenetrable finish that makes the tiles appropriate for a variety of commercial and residential installations, including submerged applications.
