

We've taken the four most powerful elements—earth, air, fire, and water—and transformed their essence into a compelling collection of handcrafted glass mosaics. While many elements in the world may feel unpredictable, your tile design doesn't have to be. With Elements glass tile, you choose the outcome—harmonizing myriad colors, versatile patterns, and organic finishes to create just the right look. The single-color glass mosaics offer endless combinations, from classic to modern, to manifest your design vision into reality.
