

The contemporary, interlocking pattern of **Mizumi Gendai** is a sophisticated union of varying sizes and finishes in a shimmering palette of 18 thoughtfully curated hues. The Gendai pattern is composed of $\frac{1}{2} \times \frac{1}{2}$, $\frac{1}{2} \times 1$ and 1×1 glass tiles with straight edges that present a clean and crisp installation. Each piece of glass is hand-poured and designed with slight color variations for a distinctive appearance.
