

Lunada Bay Tile takes inspiration from the ancient Japanese art of paper folding with the introduction of **Origami Mosaic** glass tile. Delicate angles and subtle geometry emulate the techniques and visuals seen in the iconic art form and recreate them in three-dimensional glass mosaics. Available in four mosaic patterns: Nami, Sway, Vesper and Vesper Twist.

PATTERNS

Nami 1 x 1

Nami, which means "wave" in Japanese, is a three-dimensional square mosaic.

Sway 1" Hex

Sway is a three-dimensional hexagonal mosaic.

Vesper (3/8 x 2)

Vesper is a three-dimensional martini-shaped mosaic in a pearl finish.

Vesper Twist (3/8 x 2)

Vesper Twist blends three-dimensional martini-shaped mosaics in a pearl finish and Agate Martini in a silk finish.
