

Tomei Blends in Great Escape Natural

## Tomei Falling Water Blends

Designers and homeowners alike gravitate toward glass mosaic tile blends for their high style and practicality. Our new Tomei Falling Water Blends will offer you a new design solution in 12 contemporary colors inspired by the great modern architects--Gehry, Hadid and Mies van der Rohe.

Carefully curated, the palette of colors used in the Tomei blends work seamlessly with our Tomei field tiles to create a variety of installation options. Use the blends as a focal point of a wall or backsplash, or use smaller strips of the blends to create an accent for other Lunada Bay stone or tiles. The interlocking patterns provide a sophisticated look with the added benefit of mesh-mounting for installation. [See the entire collection.](#)
