

Marrakech Red Comes to Tozen

The sights and sounds of Marrakech cast a magical spell on the unsuspecting traveler. From ornately tiled architecture and pyramids of spices to handcrafted scarves and metal lanterns, there is beauty and vibrancy in every ounce of life. In the country where Africa meets Arabia, you navigate world-famous souks, passing by snake charmers and sampling intoxicating delicacies. It is a love affair of passion and art. Stone & Pewter Accents recreates the fiery beauty of Morocco's "Red City" through Marrakech Red, a new color for the Tozen glass collection. [See the entire collection here.](#)
