

The masters of watercolor—Albrecht Durer, Georgia O'Keefe, John Singer Sargent, William Turner, and James Whistler—created nuanced paintings rich with emotion. The [Watercolors](#) ceramic collection by Lunada Bay Tile pays homage to these famous artists through varied hues. Like miniature works of art, the tiles express a handcrafted, artisanal aesthetic through carefully curated color, from delicate to vibrant. Designed for creative placement in a variety of spaces, the series is available in three formats: Picket, Post and a coordinating Liner.
